What an amazing day!!

What an amazing day!! First let me say the team at North Fork Wine Tours is amazing, we had a last-minute change to the number of people attending and they were so good with accommodating the addition. Our driver Eric, was the nicest driver, he let us know date of that he was running a little bit behind because of an unforeseen accident... But as soon as he arrived, where did the car exit our expectations. He helped everyone board and off we were... We visited duck walk/Pinwar/twin stills and brown hair arms. We had a party of seven ladies and Eric made each stock such a smooth process. We honestly had the most amazing time and he gave us more than enough time at each stop to enjoy wine, some music and snacks. I was pleasantly surprised that Pindar let us bring our own snacks in, which really made the trip exceptional because we were able to grab a table near the music, enjoy some wine and each others company. I'm already plotting my next tour with them and a few of my other friends as I know they were definitely enjoy their time. Thank you and FWT for the excellent communication, accommodations and overall great day!!

Wine Tours...

I booked one of my best friends bachelorette outings with North Fork Wine

Tours, and from the booking to the actual event was outstanding! I was in frequent contact with NFWT as the COVID-19 pandemic kept postponing our trip. They were very attentive to my emails and many questions! As promised, the tour day went very smoothly! Tom, our driver, was so fun and available whenever we needed him! The party bus was awesome! I only had minor concerns with one of the wineries. The entire bachelorette party had an amazing day, and we can't thank NFWT Enough!!

We had an amazing day! Our driver Tommy was so great and helpful. Upon our arrival to each location, he took care of checking us in and giving us a rundown of our visit. Unfortunately, due to Covid restrictions we could not go to the brewery we had chosen, but NFWT reached out prior to our tour with alternative options and set up the whole itinerary for us. Would absolutely recommend using them for your next tour!!

My bachelorette weekend was absolutely amazing...

My bachelorette weekend was absolutely amazing! We had such an amazing experience at all the wineries. Each was more beautiful than the last. The service was wonderful. What made the whole experience was our driver Tom. He made sure all 10 of us girls had a smile on our faces! He was punctual, fun, professional, and he smiled just as hard as we did. Thomas one of a kind. We will never forget how much fun we had and would 100% come back in with a request for Tom as our driver. I even asked him to drive me on my wedding day. He made the day unforgettable. He kept us on schedule at all three wineries and checked us in. He was smooth, sweet, and attentive. We will be using wine guys again! Thank you so much for the best bachelorette ever!

First, I want to tell you how amazing your staff is...

First, I want to tell you how amazing your staff is from the coordinating, to the

limo driver. Thank you for absolutely everything, everything was just perfect! My only complaint is the last stop, Long Ireland. the bartender was by far the most miserable person I have ever met. She was extremely rude to our party in many ways, one example is they were simply just asking questions about their gears and she snapped. To the point where one of their outdoor workers came up to us and apologized for her. She was mortified and said she acts like this all the time but it is not just us. I am making you aware because up until the end the day was perfect and if she apparently acts like this all the time you need to be aware of the situation.

I recently booked with NFWT for a friends bachelorette party. We were a group of 14 and after comparing various transportation options NFWT seemed like the best way to go considering price included: transportation, lunch, (including GF option), and depending on what you chose tastings at three wineries. Our driver, Josh, arrived on time the morning of and was very good with keeping us on schedule while also letting us enjoy our time at each location. Only snag in the trip was we had booked a fourth winery on our own that wasn't originally

included in the itinerary when they called to review however they were quick to make adjustments and everything worked out great!

We had a fantastic time on our wine tour!

We had a fantastic time on our wine tour! Our driver, Steve, was super communicative and got us to our winery safely and made sure we had plenty of

time at each stop. The only snag we ran into was a small time mixup when confirming the time of pick up the week before the tour. It ended up not being a big deal at all but good to keep in mind for future tours. Thank you so much for a great day!

The experience was excellent.

The experience was excellent. From start to finish, you were very organized and informative. The day went off without a hitch. And only point of confusion was that we were under the impression Mercedes sprinter bus had seats with seat belts, with that said, Erick was an excellent driver, and got us everywhere safely. Thanks again!

The wine tour was a great addition...

The wine tour was a great addition to the bachelorette weekend. We were picked up by a black, Mercedes-Benz party limo bus, which was an exciting surprise for the bride to be. The driver was friendly and easy to communicate with and kept us on schedule as best he could. I highly recommend working with North Fork Wine Tours if you plan to visit more than one Vineyard over the course of the day – it was so nice to arrive and have everything taken care of as far as tickets and reservations.

From the very first phone calls and emails, I cannot begin to express the courtesy and professionalism of everyone that I had the pleasure to work with!

Suggestions made by Mike added to making my 65th birthday celebration happier. Our driver, Darrell, was the best! He took charge to make sure we got to all of the wineries with plenty of time for fun and enjoyment. He was a perfect gentleman and professional at all times. Have already recommended your company to another friend who is planning her birthday! I will definitely call and use you again!! Thanks for making my day and excellent time!

The communications from NFWT were great, the price was the best I found for my group size, the staff were flexible in identifying wineries for our tour, and our driver John, was fantastic. Do you to a problem with a bridge, we were more than an hour delayed in getting on the road, and he added time to our day with no extra charge. I would be happy to book them again, and recommend this company enthusiastically.

The team at NFWT did a truly amazing job with our wine tour last week! Michael and his team took care of every detail and pulled off a truly memorable experience for me and all 60 of my guests. Timing was impeccable, their buses were top notch, our drivers Joey and John, were courteous and professional and they made sure we had everything we needed for a first class trip. After using other, less impressive, LI tour companies the past four years I am happy to say I found my team moving forward.

Michelle P. from New York, New York

We had an amazing day! The driver couldn't have been more accommodating and friendly. It was as though he was part of our group. The wineries were beautiful. The only thing was that we were at our first one so early music hadn't yet started. Also perhaps providing list of wineries in the same vicinity so it allows for most time possible at vineyards. One of us was a half hour away from the other and I didn't realize that. Figuring out ways to spend more time at wineries is my only suggestion. Otherwise, it couldn't have been any easier, more enjoyable day!

Britney B. From Long Island City, New York

Overall we had an exceptional experience. Bus driver was very nice and professional. Lunches were great. The only suggestion was that the bus was tight.

We got a 28 passenger bus and had 27 people but we were very close together.

A 30 passenger bus would have fit us better. But everyone had a great time and already looking forward to next year's tour. I will definitely schedule another tour with this company again. Thank you so much!

Lori P. From New York, New York

Hi, in the future would have been nice to know that music did not start until 2 PM after we were gone from the Lenz winery. Also, in the future should be more cognizant of people's ages. The Baiting Hollow winery that was recommended was way too packed - nowhere to sit and playing loud rock music. We were with elderly people so did not stay. Our driver was excellent.

From the driver to the service, and timely...

From Summit, New Jersey

From the driver, to the service, and timely organization, the entire team at North Fork Wine Tours provided us with an exceptional day. With a group of over 30, this trip was meant to bring our team together and to get away from the office for a day to have some fun; it did just that.

Our trip began in Midtown, Manhattan where our driver, Joey, greeted us and invited us all on the bus. Although the ride was long it certainly allowed her team to connect and socialize. The tour brought us to three different wineries, all of which came with stunning views of the Vineyard. Upon arrival at our second winery, we were given lunch - more than enough to serve our entire group. Each step was memorable and the staff at the wineries were very knowledgeable and attentive.

Ultimately the trip was a success. North Fork's organization of the trip allowed everyone in our group to sit back and enjoy the day. We were given plenty of time at each stop and our driver Joey was more than accommodating with our requests, even some of our questionable music.

From our whole group, thank you to the entire north fork wine tour team!

September 27, 2018

I booked North fork wine tours for two days...

Joslyn P. From New Bedford, Massachusetts

I booked north fork wine tours for two days last weekend and let me say they were awesome days. We booked from 11 AM to 6 PM and it was worth every penny :)

Our two drivers, brothers, Maurizio San Diego or fantastic! They were friendly, prompt, very attentive, made some wonderful suggestions to places we had not visited in our previous years. We found a moonshine tasting in a vodka tasting in which we had no idea even existed!

My husband and I have been going to Long Island every year and hope to get there more throughout the year and I will definitely book them again! Michael, the owner, was a pleasure to deal with. He was patient and informative with all of my questions before we booked and was so prompt in his responses. He really took care of us especially giving us to terrific drivers that we hope to get again!!!!

Really can't say enough good things about North...

Adam W. From Roslyn, New York

Really can't say enough good things about North Fork Wine Tours. Mike made things very simple. Everything was spelled out clearly and NFWT had flexibility with the Vineyard choices, timing, etc. That I did not find with other companies offering similar tours. Or ride was perfect, or driver a pleasure, the wine was cold and the weather was warm. Truly a perfect day. If you were on the fence, get off and give them a call - you will not regret it.

September 26, 2018

Our winery tour with North Fork Wine Tours...

Meg from Wilmington, North Carolina

Our winery tour with North Fork wine tours could not have been more perfect. We had a large group - 16 ladies, for a bachelorette party and I can honestly say that everyone in the group had a blast. Our driver was excellent picked us up on time, checked us in at each location, and kept us on schedule. NFWT did

a great job of organizing the day, starting with the classiest winery first and slowly progressing the day to end at the more rowdy of the wineries. Hats off to a day well spent. The amazing weather also worked in our favor. I definitely recommend NFWT!

delicious, and the pricing was reasonable.

Caroline L. From Ridgewood, New Jersey

Excellent service, driver Eric was very efficient and polite. Only thing we didn't like was the last winery, not classy at all! Didn't like the ticket system, we could have just gone to any bar and ordered a glass of wine. When we arrived the guys there told us if anyone bothered us we're got out of hand just tell security...

Really put us off before we even entered.

Ashley T. From New York, New York

My family and I had a wonderful experience with Mike and the team at NFWT!!

We had planned a wine tour originally for the summer and had to cancel last minute due to a family emergency. Mike could not have been more accommodating and understanding. Our family is so grateful to you for that!

Once we were able to reschedule and head out to the wine tour - we made up

for lost time and had a perfect day for my dad's 60th birthday celebration with Brett as our driver! We loved the day so much we are hoping to make this an annual family outing!!

September 10, 2018

North Fork Wine Tours is an incredible company

Morgan from New York, New York

North Fork Wine Tours is an incredible company to work with! From the second I inquired about my trip they were super helpful and flexible with all my needs and expectations. Shy and Michael were very responsive and made the entire planning process at breeze. The limo bus we rented came with the wonderful

driver who is so full of life, kind and accommodating. Our crew got a little rowdy towards the end and he was totally unfazed! Was just happy we were having a great time.

All in all, and incredibly easy and enjoyable experience working with The North Fork Wine Tours. I can't wait to explore the north with their help again!

I booked North Fork Wine Tours for my sisters bachelorette party

Kristen from Pleasantville, New York

I booked North Fork Wine Tours for my sisters bachelorette party and couldn't have asked for a more perfect day! Leading up to the event, all my questions were just a phone call or email away, Nick, our driver, was prompt, courteous and took care of every last detail. He was flexible with our pick up times at each winery, but definitely kept us on schedule. The wineries themselves were beautiful, Raphael's, Duckwalk and Osprey's Dominion. Our driver handled all of our prepaid tastings and lunches, so we didn't have to worry about a thing.

It was so much fun, we talked about making this an annual outing. I could not recommend North Fork Wine Tours enough!

North fork wine Tours was awesome and...

Erica G. from Cambridge, Massachusetts

North Fork Wine Tours was an awesome and seamless experience! We had a group of seven, and it went flawless. The few reasons why I gave it a four and not a five – I wish we could've paid upfront via credit card for the remaining balance without a 5% charge. We also were kind of bummed by the second winery we chose. They had a shortage of wine glasses and rushed us through the tasting, since we had to use one single glass throughout the whole time, our server also seemed rushed and not quite willing to chat with us about the wine and the Vineyard. Other than that though, planning on the phone with Michael and Shy was easy. Pricing was upfront, clear, and did not change – they sent me everything in writing and called me to confirm the entire itinerary! The driver arrived a few minutes early and was a great person to communicate with throughout the day. We got to each stop and arrived back home on time. He even sent a "15 minutes left" text at each place so we could find him in the parking lot on time. The limo was clean and he was a great driver too. Would recommend! Thank you!

From planning to the day of everything was great! All my questions were answered via email and phone. The driver, Diego, was great! He was very patient with us and got us to the winery on time. I organized a winery tour for my friends...

Lindsay A. from great neck, New York

I organized a winery tour for my friends bachelorette weekend. When exploring different companies to tour with, North Fork Wine Tours was quick to respond, informative and pricing was clearly communicated, stuck with, and fair. Most wine tours companies would be similar, but what set our experience apart was our chivalrous, friendly driver Chris. He walked each of us to the limo with umbrellas, (as it was raining during pick up), and always asked how the bride was doing. During our second Vineyard where we had lunch, we were supposed to find tables but he found them for us and pulled them together to fit all 10 of us. He clearly communicated timing goals in a friendly, not direction-ordered, manner. it was A very enjoyable day. One friend even plans to rebook with colleagues and ask for Chris!

Lisa from Texas

I don't think I can capture my experience in one review. I had the best time ever!!!!!!!!!! I first want to shout out to Shy, she worked with me tirelessly to plan my 30th birthday wine tour. She was patient and I called her at least three times a day. She was kind and helped me to choose the best options for my big day. Our driver Nick was also amazing! He was patient, kept us to our itinerary with patience and respect. The vineyards were all amazing! The ambience and wine was everything. I can't wait to plan my next event with North Fork wine tours. I appreciate y'all! Thank you for such an epic experience!!!

Jonathan from New York, New York

Well organized and good communication. Bus driver and party bus were

perfect for the trip – my only recommendation if coming from Manhattan would be to limit the wineries to two rather than three as it did feel a bit rushed.

Absolute BEST time! First off, the entire office is extremely friendly and informative. There were no misunderstandings or last-minute changes, the arrangement and price that they provide with the quote is exactly what you get. The driver, Brett, was extremely courteous and accommodating. For a party of 18 WOMEN I was prepared for chaos but this event was simply seamless. I will absolutely be booking all future wine tours with North Fork Wine Tours!

What a wonderful day out on the North...

Aislinn from New York, New York

What a wonderful day out on the North Fork! We are so thankful to have found North Fork wine tours to explore the wineries out east. We thought we knew where we wanted to go but our tour guide, Diego, showed us some even better spots. We'd love to be back one day!

June 11, 2018

My wife and I had a great time!

Harrison from Syosset, New York

My wife and I had a great time!

Our driver, Diego, was a total pro. He was punctual, courteous, and safe. All the appointments were seamless. We even made some adjustments on the fly when the weather turns nicer than expected and we drove past a winery not on our itinerary that was hosting a classic car show. While at our first stop, Diego worked the phones and substituted the stop in later in the day.

Eat at each stop we were always treated very well. (Sometimes when you come in as part of a tour package, places will often treat you as second-class citizens.)

Not once did we ever feel like we weren't a welcome customer at the wineries we visited.

We had a great experience, hope to do it again sometime, and would strongly recommend North Fork one tourist to anyone looking to do something like this.

Oh, and the box lunch was delicious! Thanks for a great day! June 5, 2018

From start to finish it was an amazing time. Chris picked us up right on time and

we had a smooth ride out to Ospreys (3 tastings), lenses (4 tastings), and Jasons (5 tastings). The hardest part about organizing this trip was getting all the ladies to settle on a date, NFWT took care of the rest. Would highly recommend and hopefully make this an annual trip with them!

Francis B. From New York, New York

We had a wonderful experience with NFWT! They were very organized and professional when planning. We scheduled an 8 person tour, visiting 3 vineyards, and they provided lunch. We were promptly picked up by a very nice 10 person limo, and our driver was so nice and friendly! He went out of his way to make sure we had a fun and organize day - always on time and willing to take photos of the group.

I looked at a bunch of different vendors before booking NFWT, and NFWT did not disappoint. They took care of the logistics, so that we could focus on our wine – filled afternoon. NFWT was the best!

Elizabeth from Astoria,

I used NFWT this past weekend for my friend's bachelorette party. Was great, the whole thing went off without a hitch to the three vineyards we selected and the limo a was really fun addition to the day. Very kind and timely driver, Steve. The one thing is next time I would bring a picnic lunch instead of the boxed lunch – it was OK but could have been better. Then again getting boxed lunch was super helpful because I think making the picnic would have added more to the chaos of being maid of honor. It was actually nice to have a lunch taken care of.

He was punctual and professional. He communicated well with me at each winery we visited. When we were ready to go I called him and we were picked up within two minutes and off to the next location. When it came time for lunch he provided everything and wow was it delicious! The food was really great. Everyone had their own meal. Bottled water was provided on the bus with ice. Couldn't have asked for more. I've planned many of these events and this was by far the best one! I highly recommend this company to a large group! We will use them again and again.

Sean R. From Secaucus, New Jersey

Had an amazing and well-planned tour! Our driver, Dave, was informative, helpful and a great person to talk to you during our entire tour. Each winery was planned out well with a table set at each and food ready for us on our second stop. We ended up at Marcari, Lenz and Baiting Hollow as our choices with enough time to stop at Briermere Farms. Our group was small but the experience was exactly how I wanted it to be. Would recommend using NFWT again for future tours with family and friends!

August 3, 2017

We had such a great time! Our driver...

Kristian Jay. from Brookline, Massachusetts

We had such a great time! Our driver, Al, was fantastic and totally took care of us! The only suggestion I would make is to be a 30 minute buffer (at least) for traffic, bathroom stops, etc. We made pretty good time overall but we did hit some unforeseen traffic and seemed a little rushed.

All in all it was a great time! I will definitely recommend to friends in the future.

Thank you!

Had a wonderful day! Billy was our driver...

Mike L. From New York, New York

Had a wonderful day! Billy our driver was terrific and made sure all the arrangements (reservations) were properly set up and honored at each of the three vineyards. We visited Sparkly Point, Lenz and Pindar. One improvement comment; when setting up the tour, the list containing many vineyards should also show an indication of the tastings includes a private table or at the general tasting bar. Two of the three we attended were at a private table which was a very nice touch!!

NFWT makes everything easy for you in planning...

Julie from Brooklyn, New York

NFWT makes everything easy for you in planning a day out at vineyards/breweries. We were greeted by a wonderful driver- I believe his name was Ishmael but cannot exactly remember- who treated us so well. He was warm, funny and most of all very caring about each person in our party. I cannot express enough gratitude to our driver who even went as far as to take one of our members home between stops because she wasn't feeling well. Everything was handled for us at each stop and the lunch was amazing. So delicious and the serving size was just a little too big to finish. We were given an aux cord for our music, the system was incredible. The bus was clean, smelled

nice and was very spacious. We were given waters for the trip which we ended up needing. Before our trip I was called to confirm each stop and times of each stop. I would absolutely recommend this company to anyone looking for an easy, memorable, carefree day. Thanks Tenea for helping us with this event!

Jacqueline from Camden, New Jersey

"I cannot speak more highly of my experience with North Fork Wine Tours.

Everything from booking to the actual weekend was easy and I always had the best service.

Booking a bachelorette party for 12 girls was daunting. But North Fork Wine Tours took all the guesswork out with the amazing package deal. We stayed at the quaint Townsend Manor Inn, had an amazing experience at our vineyards with

the friendliest driver and luxury van. The lunch was excellent, and our dinner was great. We loved being so close to town. And did I mention the convenience?! No one had to split the bill 12 ways, everyone was comfortable in their rooms and not squished the max to save a few dollars, etc. The team helped me with every single question and detail I had about the weekend. They were so friendly. The final thing I will say is you cannot beat the price of this package deal. Especially at the level of customer service and for how special the entire experience was. Five stars!"

I booked NFWT for my sisters Bachelorette party ...

Allie from New York, New York

I booked NFWT for my sisters Bachelorette party and it was hands-down one of the best experiences. Our driver Joe was absolutely amazing. He was organized, polite, and allowed us to have a great time. When the wrong much was delivered he immediately called the main office to ensure that we were all taken care of. When Joe noticed that there were no forks in the lunchboxes he drove to the nearest gas station and bought us all plastic forks so we can enjoy our meal. We did not mind the lunch incident because the rest of the experience was so great! NFWT planned everything out for us so there was no stress involved, our only jobs were to drink and have fun! Definitely suggest this company for any group looking to have a good time.

My group of nine took a tour

Labor day. From Wilson, North Carolina

My group of nine took a tour on the Sunday of Labor Day weekend and had a great time. The limo driver was early and kept us on time. We sprung for the 14 person limo thinking you could get cramped, and we were glad we did. The 10 person would have been extremely tight. I highly suggest a stop at Long Island Vodka. It helps break up the winery trip and gives a little bit of variance in the trip. My group and I plan to use and NFWT in the future when we plan another winery trip.

September 12, 2016

Peter C. From White Plains, New York

September 8, 2016

The owner of North Fork Wine Tours

Cassandra from Jamaica, New York

The owner of North Fork Wine Tours, Michael picked us up and he was excellent! The 10 passenger limo was clean, stocked with chilled water, champagne flutes and solo cups. He checked us into each winery on our tour and brought our lunches out to us at the second winery. The lunches were great and filling and a perfect way to break up the winery tour. On our longest leg of the trip he let us borrow his aux cable so we could plug in our phones to play our own play lists. All in all it was a great trip. I highly recommend using NoFo wine tours!

September 8, 2016

We recently had our annual corporate outing and booked it through North fork Wine Tours and we couldn't have been happier. Great t. from Freeport, New York

The entire experience was really great. Our limo driver Terry was amazing. And we had a lot of fun at each Vineyard. Some things in the itinerary were not advertised properly such as room occupancy, hotel checkout, and dinner (was

not three courses, was only two). Otherwise it was a great trip for the price offered.

Britney A. from Morris Ville Pennsylvania

We had a group of 15 girls for a Bachelorette party and we all had the most incredible time on this wine tour (even though it was raining at the first two Vineyards). The wineries were beautiful and the entire day went more smooth than I could have imagined. Our driver, Darrell, went over and beyond to make sure that the entire day was completely stress-free. He arrived at the house early,

made sure we had enough water (and wine), and had our backs the entire day.

He took great care of us and we couldn't have asked for a better experience. I speak on behalf of all 15 of us when I say that we 100% recommend North Fork wine tours, especially Darrell, to everyone!

We had a great experience with NFWT! The driver was on time when picking us up and had waters for us in the limo. We spent an hour and a half at each winery with about 5 tastings at each. Our driver delivered our lunch to us at the second winery right when we got there. Everything was extremely organized and it was a stress-free day! I will definitely recommend my friends and family to NFWT!

We had a fantastic tour ...

Jessica W from New Haven, Connecticut

We had a fantastic tour from start to finish! Our driver, Diego, was attentive and courteous. He made suggestions but was not at all intrusive. The Escalade that

we toured in was very comfortable and perfect for our party of four. The lunch that was brought to us was quite tasty! I felt the price was reasonable for the services we received. I took the card of our driver and will definitely be contacting the company again next year for another tour.

North Fork Wine Tours did a great job helping me ...

Halley A. from Roslyn, New York

North Fork Wine Tours did a great job helping me to organize a 16 person party for my sister. They allowed me to change the number of participants up until a few days before the event, and even gave us a limo with more capacity and did not charge! The driver, Al, was courteous, punctual, and easy to get along with. I would highly recommend them for your tour.

July 22, 2016

This was a great experience ...

Evan from Westbury, New York

This was a great experience. I booked a 10 passenger limo for my family to go on a wine tour and everything was amazing. Our driver, Steve, was the nicest guy. He took care of everything we needed. The staff was very helpful when we booked our tour. They answered all my questions. They tell you exactly how many hours they are charging you for and if you go over then you will have to pay the difference at the end. Our driver, Steve, was very prompt and made sure to get us back on time. He was also kind enough to stock up the ice box with lots of Poland Spring water bottles because being out in the hot sun all day gets dehydrating. The company recommends an 8% tip to the drivers but we were so happy we gave him over 10%. Overall this was an outstanding experience and I highly recommend this company to anyone interested in going on a wine tour.

Perfect day ...

So happy we used North Fork Wine Tours for our day touring the North Fork wineries. The person taking the reservation was helpful and answered all my questions. They called the day before to confirm location and pick up time. We

chose the "as directed" tour which means we chose which wineries we went to and just paid the wineries directly for our drinks. Diego, our driver for the day, was professional, friendly and helpful. He picked us up in Nassau County on time (actually five minutes early); in a comfy Escalade (we were four people.) At each winery we texted him when we were ready and he was there almost instantaneously. When we weren't sure which winery to go to he gave us his opinion. It was a great day not worrying about driving or even having to give directions.

Loved the wine tour worked out great for Bachelorette!

I planned my best friend's Bachelorette party in Greenport. We decided to do a wine tour day with North Fork Wine Tours and everything worked out great. We had 11 ladies and Tom, our limo driver, picked us up and was pleasant the entire day. We all paid the per person rate which included the limo from 11:30 to 5 PM, three winery stops, the tastings at each winery, and a boxed lunch. It worked out very well and I'd recommend it and North Fork Wine Tours to others.

Marty was the best!

What a great weekend with our Bachelorette party! This was the most seamless trip planned with the help of North Fork Wine Tours. They took care of everything and the day went with ease which was great for us! Lunch was delicious, Marty, our amazing limo driver was warm, welcoming and made it clear he was there to take care of us. We had such a great time and everyone kept raving about how fun the day was. As the person who planned the day I have to say once I connected with North Fork Wine Tours I barely did any work and that was perfect for me! I can't imagine a company who can do it better in town. I would say they have it down to a science! Not to mention, Marty called me Friday to confirm and arrived early for our trip Saturday. I really appreciated his dedication to his job and making sure we knew we didn't have to think about a thing!

They were accommodating from the beginning to end. Our limo driver was fantastic as well. I highly recommend them.

Good morning ...

I just wanted to send a quick message and say thank you so much for a wonderful day yesterday. It is a very crazy time of year and I was very

overwhelmed with my own children and students this year as well as losing my teaching partner. (which is who the celebration was for). However, through all of my mishaps and forgetfulness the staff was always friendly, helpful and diligent with following up on the details; because of this we had an amazing day yesterday. Thank you again for all of the help and to Mike, our driver. He was wonderful as well.

Ashley / Mike,

I wanted to drop a note and thank you both for the tremendous experience our group had last Saturday. Everything from the planning, the driver, and professionalism was top notch. You guys treated my party wonderfully and I thank you for the one-on-one personal nature you showed me during the many changes of the planning process.

Mike, it was great meeting you and congrats on a wonderful business.

Hope we can do it again.

Damian

We used NFWT for my bachelorette party on June 4 ...

Our driver was Ronnie and he was great! He asked us if we needed to make any stops, he helped us out of the limo each time, he searched and found us a table in the shade so we could eat lunch. He kept us on time but didn't bother us about leaving. He took pictures for us also. Ashley was great in keeping me updated the week of our tour. I will definitely use NFWT in the future. The limo was nice and well maintained and the price was reasonable. They made all the reservations for us. We had a blast!! Thank you NFWT!

Alejandra them from Elizabeth, New Jersey

We were taking our first trip to the area and had no idea which vineyards to see or where to begin.

We were lucky enough to discover North Fork wine tours. They planned an awesome day for us. The driver was very knowledgeable about the places we visited. We toured for vineyards and they even were able to add one in the middle that we really wanted to see.

They prepared a wonderful lunch for us as well. My friends and I could not have been more pleased with the service, Knowledge , and the overall experience we had. We would use North Fork wine tours again for sure!

Overall myself and group of nine had a great time ...

Megan from Brooklyn, New York

Overall myself and group of nine had a great time! The team at North Fork were extremely helpful and responsive. The wineries were all enjoyable, I'll spray dominion and baiting Hollow's being my favorites.

The driver was also nice and helpful, however there were a few low points that I still feel worth mentioning. We were scheduled for a 9:30 AM pick up but he decided to take that time to get a car wash, so we had a late pick up parentheses about 15 minutes later, then after, he informed us he needed to stop and get ice. That he was on the phone trying to figure out how to turn on the AC and work the radio, I finally told him to just forget it so we could get on the road. So is little frustrating when you just want to get your morning started

plus I felt this should have been accomplished on his own time, not ours.

At another point driving between vineyards I looked back at him to notice he was driving and flipping through a magazine which was really unacceptable in my opinion. The limo is to avoid hazardous driving on our part and I'm a big stickler for safe driving.

The driver's low points were not enough for me to give a bad rating, he was still very nice and the tour company itself was great. Lunch was as expected for a quick sandwich.

All in all a great time but I do feel the drivers, as representatives of the company should be held to a slightly higher standard.

Thank you for a fun birthday weekend!

Overall, I had a great experience ...

Sarah P. From New York, New York

Overall, I had a great experience working with everyone at North Fork Wine Tours. Everyone was quick to respond and everything was set up perfectly. The limo was in good shape and we were even pleasantly surprised with how delicious the boxed lunches were! The only reason I would rate this 4/5 stars was mostly due to our experience at one of the wineries. Our first stop was McCall's., At this winery the hostess did not mention that the wine tasting was included in our tour until two of our party members brought it up to her. Also, as a group of nine girls we can speak a little loud at times, but in no way were we being inappropriate but we were being treated extremely poorly. Again, I had a great experience with the actual wine tour company, but we had a not so great experience with the first winery we visited. The other two wineries were amazing!
